Thanks FOIA Exe

Danny has asked me to fly down to PR the week of June 6 for the PDT meeting and any field site visits you may be scheduling (if I'm invited to participate). Presently, I am looking at a flight down Monday morning that gets me into San Juan around 1100 on June 6 (tentatively returning Friday afternoon). Has the Corps pinned down a field schedule for the week of June 6 ... and when are you FOIA Exe returning to Jax that week?

My goals would be to make sure the Corps is satisfied it understands the operations at the Levittown Beach site so USFWS Qs about possible concerns regarding Hawksbill Turtles can be wrapped up. I'll be providing the rest of the information to the Corps (you) NLT Friday's conference call on construction details at the beach site so the Corps can (hopefully) make an affects determination for NMFS. I'll also have the plan view drawings of the four different "fill" footprints available w/ typical section views.

Anything else missing?

Best regards

Larry

Larry, there is no call today, unless Marelisa tells me differently. I recall during the 16 May meeting setting up the call but then later dropping that and adding Manati field trip today and a face-to-face 2 June. I am in Jax but return to PR for the 2 June meeting.

I'm in P.R. Dealing with my sister's death and other family matters. As far as I know there is no conf call tomorrow but there will be a face to face meeting on 2 June. FOIA Exe will travel to P.R. For this meeting. It will be at FWS office in Boqueron. FOIA Exe will provide more details.

We still intend to have our weekly friday update.

Hi FOIA E -

Tried calling you a few times but I imagine you are pretty busy. Can you tell me if there is a conference call scheduled for tomorrow, Thursday, at 1300 (perhaps with USFWS participating)? Danny called and left me a voicemail asking me about the call.

I remember, at the PDT on May 11, we bookmarked May 26 as a date USFWS was available for a meeting with FOIA Exemption (b)(6) but I was under the impression recent events have surpassed the need for a meeting. I don't know if FOIA Exe is still here in Jacksonville, or TDY to PR.

If you get this email and can let me know anything about tomorrow's schedule I would be grateful.
Thanks

Larry E.
