Good afternoon [FOIA Exemption (b)(6)] -

We have completed our action on the EFH Survey Report and the appended Biological Assessment for PREPA's Via Verde project. Due to the size of the files, we are providing you a login and password to the BCPeabody ftp site where the files are located. Please access the documents using the following:

**FOIA Exemption (b)(4)**

Once this website opens, please click on the "Page" selection in the menu bar and then select the option at the bottom of the pop down menu bar (Open FTP Site in Windows Explorer). This will open a menu window where you will enter the login and password:

[FOIA Exemption (b)(4)]

[FOIA Exemption (b)(4)]

You may have to enter the login and password more than once before the ftp site opens and you see the files.

If you experience any difficulties, please do not hesitate to contact us.

In addition, attached to this email is a .pdf file of our cover letter dated April 15, 2011. BCPeabody is copying both documents to discs and sending the discs with the cover letter to [FOIA Exemption (b)(6)] at Corps' Antilles Office with a copy to [FOIA Exemption (b)(6)] at the Jacksonville District Office. We will provide multiple copies of the disc so you can forward the documents to the USFWS and NMFS.

Thank you for your continued support in this effort. Again, if you have any difficulties or questions, please contact us at your first opportunity.

Best regards!
