Larry,

I don't know, You can call our office Chief (FOIA Exemption (b)(6)) when you arrive and he can provide you with our location.

At this point is difficult to determine how our field visit would progress.

VR,

Thank you (FOIA Exemption (b)(6)) -

I'll be flying in to San Juan at noon on Monday, June 6. I would like to join up with the field team that afternoon. Where do you think you will be around 2 PM Monday? If it would be easier, you can give me a cell phone contact number and I can call you after my arrival to locate where you will be at.

Ladies and Gentlemen

Enclosed is the subject to start the field work on the project. The meeting location is the baseball field. There should be a bakery in front of the baseball field (For those how need Coffee).

From that location we would drive to location VV12 and VV13, and move along the points towards the Cambalache Plant and then East.

Respectfully
