Good Morning Johanna,

Thank you for the copies. Yesterday, I forward your request for meeting to FWS for coordination. Unfortunately FWS Key personnel are out of the office and they will be back tomorrow Thursday, and I don't expect a response until then.

I did get a response from Mr. Muñiz and he would not be attending the meeting.

I will call or write you when they respond.

Subject: Via Verde pipeline- USFWS Conference Call

Good afternoon FOIA Exempti,

In case you have not received the recent correspondence between USFWS and the applicant, I have attached the two most recent letters for your review. We would appreciate it if a conference call could be scheduled this Thursday, November 18th, to discuss these letters and the proposed surveys. Please

let me know if this is a possibility.

Also, I wanted to check with you to make sure you received my emails last week regarding the Cambalache metering station and the waterbody crossing cross-section. Were these sufficient to send out the Public Notice?

Thank you very much.

Best Regards,

Johanna Willis
