Thank you for the email ... and a very good point FOIA Exempt. My apologies if Danny hasn't been using the correct email address for you. If I become aware of any pertinent email that was sent out over the past few weeks, I'll forward a copy to you.

Looking forward to the meeting next week!

Mr. Pagan,

Be advised that my email is FOIA Exemption (b)(6)@usace.army.mil.

Also, it would be helpful if any email that is sent would include the permit number in the subject. That greatly help in keeping all information pertaining to the project.

Thank you very much.

Respectfully,

FOIA Exemption (b)(6)

Subject: Updated Raptors Work Plan

Dear Marelisa:

As indicated in our previous E- Mail attached please find the updated Raptors Work Plan aimed to address the additional observation locations added as a result of your staff recommendations.

The document is being presented in an effort to have the record reflecting the actual work provided in accordance with F&WS recommendations.

Best Regards

Danny
